A World of Discovery

AHI Connects | Šipčanik Wine Cellar.

Plantaže is one of Eastern Europe's biggest producers of wine and grape brandy. Tour the company's Šipčanik wine cellar, located in a former underground Yugoslav-era aircraft hanger. Learn about the region's unique microclimates and grape varieties, and enjoy a tasting of Montenegrin wines.

Cetinje. Cetinje was Montenegro's capital between 1878 and 1946 and boasts the country's greatest museums. Tour the National Museum of Montenegro, housed throughout five historic buildings. Following lunch, enjoy sprawling panoramas out your window during a scenic drive.

Bay of Kotor. Revel in the jaw-dropping cliffs and emerald waters of the Bay of Kotor. Cruise aboard a private boat to Our Lady of the Rocks, a man-made island founded over 500 years ago. Learn about the island's legend and tour its baroque-style church. Continue to medieval Perast, a charming lakefront town with 16 churches and nine defensive towers. Cruise to Kotor and explore the Venetian-style old town, where cobbled lanes give way to squares, restaurants and a clock tower.

Lake Skadar. Travel through a picturesque mountain landscape to Lake Skadar, the largest freshwater lake in the Balkans. Perched on the Montenegrin and Albanian border, the lake is a pristine wonderland peppered with sleepy villages. During a cruise, learn about the lake's ecosystem and endemic species that include herons, cormorants, pelicans and amphibians.

Budva. Visit two resplendent monasteries, cultural treasures with beautiful frescos and valuable relics. Continue to Budva for a guided tour. Budva is enclosed within medieval walls and features many historic monuments and pretty churches!

Kotor at Night. Kotor's romantic allure is truly revealed after sunset when streetlights cast a soft glow on the cobblestone lanes. Take a quiet walk and enjoy the atmosphere of this special corner of the world.

Medieval Dubrovnik. Discover Dubrovnik's highlights on a walking tour. Admire the Franciscan Monastery's Romanesque cloister and visit Europe's oldest working pharmacy. Pass by the medieval Sponza Palace, which houses priceless ancient manuscripts, and visit the impressive baroque cathedral. Destroyed by the earthquake of 1667 and rebuilt in 1713, the cathedral features some exceptional alters.
